November 2019

Dear friend of Pathways,

WE CHANGE LIVES! We unlock minds and open doors for students with emotional disabilities by teaching them to believe they can succeed and by providing the tools they need to make this happen.

The Pathways Schools is a non-profit organization with an exceptional reputation for serving at-risk students from the metropolitan area. For over 35 years our caring and dedicated staff has enabled hundreds of students to receive a high school diploma and transition to the world of work. Our schools have also been an anchor of support to hundreds of families by providing them with guidance and encouragement.

While mental health issues have come to the attention of the media in recent times, funding resources have diminished. The work we do needs your support in order to continue to benefit individual students and society as a whole.

This year we will hold our **9th Annual Student Art Show**. It has been a unique way to involve our students and showcase their talent, courage and creativity. The popularity of this event has generated broader public awareness of Pathways and the contributions of our students. We are enthusiastic about continuing to make the **"Pathways to the Arts"** our primary annual fundraising event. This year our show and sale will take place

April 1, 2020
Busboys and Poets Restaurant
5331 Baltimore Avenue
Hyattsville, MD 20781
5:30 – 7:30 pm.

We hope that you will join us and support Pathways by sponsoring what promises to be an exciting venture for our students and our schools, the 9th Annual Pathways to the Arts. Funds raised by this event will help to enrich the academic, therapeutic, vocational and arts components of The Pathways Schools.

Please return the attached pledge form indicating your contribution.

Sincerely,

Dr. Tania DuBeau
CEO/Executive Director
