“Empowering Resilience”

****Topics to be covered during The Pathways School-Catonsville Orientation Week (exact dates and times will be firmed up as training/meeting times are confirmed). All CSS are expected to participate in each provided training.**

*Resiliency

*Therapeutic Overview; to include boundaries, mandated reporting, crisis management, role clarity etc.

*Google Classroom

*Gradelink

*Reading and Implementing IEPs

*Best practices for implementing IEP Accommodations and Supplementary Aides

*Reading and Implementing Curriculum

*Academic documentation

Tasks to be achieved outside of Trainings and Workshops (not an exhaustive list):

*Connecting with ALL students’ families and providing varied levels of orientation, as needed

*Orientation planning

*Delivering of materials, technology to students in need

*Accutrain online trainings, to include Universal Precautions/Bloodborne Pathogens, Sexual Harassment, Child Abuse/Reporting, etc.

*There will be time allotted for individual planning and IEP development.
