

August 5, 2022

Dear Horizons Team,

Welcome to the 2022-2023 school year. I look forward to meeting all of you on Monday August 22 at the Horizons site. I am excited to be your new Principal and to have the opportunity to get to know you. We have much to accomplish during orientation week, but I'm sure we will be able to meet the challenge.

In addition to having a new Principal, we have a few new staff members as well. We will introduce them when we meet on our first day back. We will also incorporate some team building activities into orientation week to allow us to get to know each other better and to lay a stronger foundation for us working together during the school year.

We will be welcoming at least one new student with the hope of adding more before the first day of school. We will work together to come up with ideas to welcome all our students back to school as well as finding better ways to engage and involve families in their students' overall educational experience.

Our school hours for this school year are:

Student hours: 8:05am – 3:05pm. Wednesdays: early dismissal 8:05am - 12:40pm

Staff hours: 7:55am – 3:30pm

Please note the following points as you review the orientation week schedule:

- Breakfast will be provided on Monday August 22nd.
- Our day will begin at 8:00am and end at 3:30pm daily
- Much of our time will be spent for planning and site readiness
- Please think about what committees you will serve on this school year (ie. Site beautification, pep rally, hoop ed, thanksgiving, art show, etc.)

Again, I look forward to seeing you on August 22nd. Enjoy the rest of the summer.

Sincerely,

James Greene
